## General membership information

### Data usage

Through this AS-Interface Association membership application, you provide personal data to the AS-International Association, which is collected and processed within the scope to fulfill the AS-Interface Association`s purposes. These data will be deleted when your membership ends and if you withdraw your consent.

### Membership fee

The annual membership is due on January 31 of each year and is based on the general assembly`s resolution.

### Resignation

Voluntary resignation requires a written statement from the member handed or sent to the Association`s office. This is only permitted for the end of the calendar year with a notice period of one year.

### Trademark rights

Please note that only members of the AS-International Association can take advantage of membership benefits. In addition to the rights to use the AS-Interface logos, the AS-Interface Association also owns the rights to the trademarked terms *AS-Interface*, *ASi*, and *AS-i*. The right to use the AS-Interface Association`s trademarks and patents expires with the termination of the membership.
